

LOUISIANA PROPANE MARKET DEVELOPMENT 2012-13 BUILDER (CENTRAL HEATER) REBATE APPLICATION

Builders (Contractors) may not submit this form directly. Only propane marketers approved by the LOUISIANA LP Gas Commission may apply. The Builder may assist the customer in making application. To apply for this rebate, type or print all required information, obtain the Builders signature, License Number, and include all required documentation, including a safety inspection record dated not more than 30 days prior to sending this application. Send original copy to LA LP GAS COMMISSION, provide one copy to the Builder and retain one copy for your records. Double-check your application for completeness; errors may delay or disqualify the application.

APPLICANT INFORMATION

Agency (Contractor) Name: _____

Name: _____ Contractor License #: _____

Address: _____ City/State/Zip: _____

Installation/ new home name & location: _____

I hereby agree not to modify or move the equipment for a period of one year from the date of installation in a way that would materially impair the equipment's performance with respect to energy conservation, efficiency or air quality. I consent to on-site examination of the above installation by an employee, inspector or agent for the Louisiana LP Gas Commission for the purpose of verifying compliance of the installation with program and safety rules. I have received a copy of the program rules and understand that this rebate is available only through authorized propane dealers in Louisiana, that this is not a government program and that the program may end at any time. By my signature below, I understand that the LP Gas Commission's only involvement in this rebate program is to issue the rebate to me, the consumer, after the proper documentation is received for the rebate. I voluntarily hold harmless the LP Gas Commission from any liability for any damages or injury that may result from the purchase, installation or operation of the central heater for which this rebate is issued. I hereby agree not to modify the equipment for a period of one year from the date of installation in a way that would materially impair the equipment's performance with respect to energy conservation, efficiency or air quality.

I consent to on-site examination of the above installation by an employee, inspector or agent for LA LP GAS COMMISSION for the purpose of verifying compliance of the installation with program and safety rules. I have received a copy of the program rules and understand that this rebate is available only through authorized propane dealers in Louisiana, that this is not a government program and that the program may end at any time.
