

APGA/LPGA Summer Convention

June 27-30, 2021

Hilton Hotel

Pensacola Beach, FL

Convention Highlights

Goodbye, COVID! Aloha, Propane! The Louisiana Propane Gas Association is excited to host a joint convention for our sixth year with the Alabama Propane Gas Association at the Hilton Hotel in Pensacola Beach, FL June 27-30, 2021. Since we all had to miss out on our fifth year together due to COVID, we are excited to be able to join together once again in fellowship! 2020 was challenging for everyone so we hope you will be able to take advantage of this unique opportunity and join us for a spectacular event in 2021!

The convention will start Sunday evening with the Welcome Reception sponsored by Supplier members from both states. After light hors d'oeuvres and drinks, the rest of the evening is on your own to enjoy dinner and catch up with other members. As always, feel free to join us in the Hospitality Suite (see location in your registration packet) to enjoy the view...and share your views!

On Monday, we will start off with a few safety training presentations by Propane Education & Research Council (PERC), Vets 2 Techs and GeneratioNext Propane Pros. LPGAs dealers will earn two hours of continuing education credits for attending all presentations, but all registrants are encouraged and welcomed to attend as well. A Solution to the Industry's Workforce Challenge-One of our industry's biggest challenges is an aging workforce, particularly in service. For decades the service technicians, installers and drivers have been our most important point of contact when it comes to interacting with our customers. Often times their role could be likened to a first responder, endearing the industry and company to the consumer. It is clear that maintaining this workforce is essential to increase the capacity to service our customers in the future and to positively impact customer retention. Thus, securing a new generation of service professionals is not only important – it is critical. Learn how GeneratioNext Propane Pros and Vets 2 Techs have worked together to solve this issue - bringing you, your next hire! Immediately following these training sessions, the Board of Directors from each association will host their meetings before adjourning for an afternoon and evening of "On Your Own" activities and an "On Your Own" Dinner. But plan to join us later that evening for our Dessert Extravaganza, Reverse Raffle and Silent Auction-you need not be present to win, but you will want to be there for all the fun and excitement! All registrations include one raffle ticket per person, but additional ones are available to purchase! All funds raised will support the David Reaves and Don Haden Scholarships in Alabama and the Marie Daniel Scholarship in Louisiana.

Tuesday offers options galore! Join Captain Eddie Lively for a six-hour deep sea fishing trip on a 55' charter boat, Lively One II, and win prizes for the largest and most unique catch...or win prizes while hacking out some frustrations at the Chris Connally Memorial Golf Tournament. This 18-Hole Championship course, The Club at Hidden Creek in Navarre, is as challenging as it is beautiful. Bring a team of four, suggest your own playing partners, or we will place you on a team for this Scramble-format Tournament. Another family-favorite option is Hangin' on the Beach. Enjoy a full day of fun in the sun in our exclusive, designated area and hang with some of the best people in the propane business. Remember to bring plenty of sunscreen!

We wrap up our convention Tuesday night with our "Aloha, Propane!" President's Dinner. Wear your best Hawaiian gear as we prepare to relax in an island paradise! We will have live Hawaiian entertainment, a limbo contest and more!

Bill Mayo
APGA President

Ralph Poole
LPGA President
